## SUMMARY

I am a pastor committed to expository preaching that exalts Christ and transforms his people. I believe churches thrive when they cling to the Word, love sacrificially, evangelize urgently, and develop disciples diligently. In ministry, I lead only in submission to Christ and in cooperation and service to the local church.

## MINISTRY EXPERIENCE

### OOLITIC BAPTIST CHURCH, Oolitic, IN

#### Lead Pastor

2018-PRESENT

- Oolitic Baptist Church (OBC) has been a work of revitalization, growing considerably in both number and Christian maturity. As a revitalization, my role at OBC has had a special emphasis on leading through change, raising up young leaders, crafting and communicating vision, conflict resolution, and preaching with an unwavering commitment to God's Word.

### HOPE RESOURCE CENTER, Bedford, IN

#### Men's Ministry Director

2023-PRESENT

- Hope is a pro-life pregnancy center providing care for women and families. My primary role as men's director is to counsel young men whose partners face an unplanned pregnancy. I also lead efforts to help dads be the best dads they can be, urging them to live up to their God-given calling. Other duties include marriage and family counseling, teaching Sexual Risk Avoidance, leading staff devotionals, jail ministry and organizing fundraising events.

### CALVARY BAPTIST CHURCH, Sedalia, MO

#### Associate Pastor

2015-2018

- At Calvary Baptist, I was primarily responsible for overseeing the spiritual growth and maturity of the students through regular prayer, planning, leading, teaching, evangelizing, counseling, and discipleship. In addition to youth-oriented tasks, I also preached in the pastor's absence, planned and oversaw annual missions trips, and led Vacation Bible School and special outreach events.
